Millwood Elementary uses the Accelerated Reader program to promote and track student reading throughout the school year. Students take quizzes at school on the books they have read. Each quiz passed earns them points.

There are three marking periods during the school year. Students who meet their goals each marking period will be able to attend the PTA sponsored AR party in November, February, and May!

Top Readers in the school will be recognized throughout and at the end of the school year award ceremony.

Have books at home and need to find out what the AR reading level is? Visit the website www.arbookfind.com to get information about AR levels and points.

▶ Capstone eBooks

Millwood Library currently has 240 eBooks through Capstone. The collection includes books for all grade levels. These eBooks are assessable from any computer or mobile device with internet access. To access these books, please visit <http://www.mycapstonelibrary.com>.
